## NOTICE TO SHAREHOLDERS

The shareholders (the "Shareholders") of Nordea 1, SICAV (the "Company") are hereby informed that a new prospectus of the Company (the "Prospectus") will enter into force on 18 April 2017, unless a different date is defined for individual changes hereafter, for the purpose of including in the Prospectus, among others, the changes summarised below.

- **All Sub-funds**
  - The header of the section "Investment objective" (or in certain case "Fund Investment Objective") is changed to "Objective and investment policy".
  - The header of the section "Eligible assets and investment policy" is changed to "Eligible assets".
- **African Equity Fund**  
The sentence "will concentrate its investments in a more limited number of companies and the resulting portfolio will be less diversified" has been deleted from the section "Eligible assets".
- **African Equity Fund, Asian Focus Equity Fund, Emerging Markets Small Cap Fund, European Focus Equity Fund, European Small and Mid Cap Equity Fund, European Value Fund, Global Idea Equity Fund, Global Opportunity Fund, Global Portfolio Fund, Global Small Cap Fund, Global Stable Equity Fund - Euro Hedged, Global Stable Equity Fund, Nordic Equity Fund, Nordic Equity Small Cap Fund, Nordic Ideas Equity Fund, Nordic Stars Equity Fund, North American All Cap Fund, North American Small Cap Fund, North American Value Fund, Norwegian Equity Fund**  
The investment objective has been clarified by redrafting it into: "The Sub-fund's objective is to provide Shareholders with long-term capital appreciation."
- **African Equity Fund, Chinese Equity Fund, Emerging Consumer Fund, Emerging Markets Focus Equity Fund, Emerging Markets Small Cap Fund, Emerging Stars Equity Fund, European Focus Equity Fund, European Small and Mid Cap Equity Fund, European Value Fund, Global Climate and Environment Fund, Global Ideas Equity Fund, Global Dividend Fund, Global Long Short Equity Fund – USD Hedged, Global Opportunity Fund, Global Portfolio Fund, Global Small Cap Fund, Global Stable Equity Fund, Global Stars Equity Fund, Indian Equity Fund, Latin American Equity Fund, Nordic Equity Fund, Nordic Equity Small Cap Fund, Nordic Ideas Equity Fund, Nordic Stars Equity Fund, North American All Cap Fund, North American Small Cap Fund, North American Value Fund, Norwegian Equity Fund, Stable Emerging Markets Equity Fund, Stable Equity Long/Short Fund – Euro Hedged**  
In the section "Eligible assets" the expression "equities and Equity Related Securities" was redundant and therefore has been replaced by "Equity Related Securities".
- **Asian Focus Equity Fund, Emerging Markets Focus Equity Fund, European Focus Equity Fund**  
The investment policy has been clarified by describing the "International Focus Equities Concept" directly in the Sub-funds' specifications so that investors do not need to refer to the definition of the concept: "The Sub-fund invests in companies that are undervalued in relation to their ability to generate cash flow over the long term."
- **Asian Focus Equity Fund, Emerging Markets Small Cap Fund, Global Opportunity Fund, Global Small Cap Fund, Latin American Equity Fund, North American All Cap Fund, North American Small Cap Fund**  
The investment objective has been clarified by removing the following sentence: "In the long run, the Sub-fund aims to offer a return that is higher than the return of its reference index."
- **European Value Fund, North American Value Fund**  
The investment policy has been clarified by describing the "Value Investment Concept" directly in the Sub-funds' specifications so that investors do not need to refer to the definition of the concept: "The investment manager invests in securities of companies which are significantly undervalued compared to the estimated earning power of these companies."
- **Global Real Estate Fund**  
The first paragraph of the section "Eligible assets" has been redrafted by removing "publicly traded equity securities of companies engaged in the real estate industry" and replacing it with "Real Estate Equity Securities. These securities typically include:- equity of companies active in the development and / or the ownership of income producing property, as well as - units (or shares) of collective investment vehicles with exposure to property such as publicly quoted property unit trusts and Real Estate Investment Trusts (REITs)."
- **Latin American Equity Fund, Stable Emerging Markets Equity Fund**  
The following sentence has been removed from the investment objective as an unnecessary description of the Sub-funds' features "while using the principle of risk spreading and future potential growth".

- **Nordic Equity Fund, Nordic Equity Small Cap Fund, Nordic Ideas Equity Fund, Nordic Stars Equity Fund**  
The investment policy has been clarified by adding the following sentence: *“The investment manager determines the fair value of a company by its long term sustainable cash generation. Attractive investment opportunities, arising when securities prices deviate from their fair values, are exploited by investing with a long term investment horizon in companies priced at a discount to fair value. The disciplined investment process is furthermore characterized by rigorous independent research, a high active share and low portfolio turnover.”*
- **Nordic Ideas Equity Fund**  
The sentences *“The Sub-fund applies a high conviction investment policy in the form of a focused portfolio of equities. Investment decisions are based on a fundamental stock selection process.”* have been deleted from the section “Objective and investment policy”.
- **Nordic Stars Equity Fund**  
The sentence *“Within these minimum three-fourths of its Total Assets, the Sub-fund will have particular focus on the companies’ ability to comply with international standards for environmental, social and corporate governance and use this actively in the investment process.”* i) has been moved from the section “Eligible assets” to the section “Objective and investment policy” and ii) has been changed as follows *“Within the investment restriction limits listed below, the Sub-fund invests its assets in companies with a particular focus on their ability to comply with international standards for environmental, social and corporate governance.”*
- **Danish Bond Fund, Norwegian Bond Fund, Swedish Bond Fund**  
The investment objective has been clarified by replacing (the example refers to the Sub-fund Danish Bond Fund, the other Sub-funds follow the same logic) *“to provide a stable, high yield exceeding the average interest level in Denmark”* with *“to provide a return exceeding the average return of the Danish bond market.”*
- **Danish Kroner Reserve, Norwegian Kroner Reserve, Swedish Kroner Reserve**  
The paragraph *“This Sub-fund may invest up to one-third of its Total Assets in Debt Securities denominated in currencies other than the Base Currency of the Sub-fund”* has been removed from the section “Eligible assets”.
- **Danish Mortgage Bond Fund, European Cross Credit Fund**  
These Sub-funds do not compare their performance against any reference index and therefore the investment objective has been clarified by pointing out that their objective is to *“provide a return on the investment primarily consisting of interest income and long-term capital appreciation.”*
- **Emerging Market Local Debt Fund, Emerging Market Local Debt Fund Plus**  
The investment objective has been clarified by replacing *“to achieve long-term capital growth by investing in Debt Securities issued predominantly by sovereigns in Emerging Markets”* with *“to preserve the Shareholder’s capital and to provide a return exceeding the average return of the Emerging Market bonds market.”*
- **Emerging Market Local Debt Fund Plus**  
The investment objective has been clarified by removing the following sentence: *“This Sub-fund uses its reference index as a benchmark for investment purposes, and takes an active view with the aim of reaching a long-term performance that is higher than that of the reference index.”*
- **European Financial Debt Fund**  
In the section “Eligible assets” the term “bond” has been replaced with the broader and defined term “Debt Securities” (the latter term being defined “Bonds, warrants on Bonds, notes, asset-backed securities, inter alia mortgage-backed securities and pass-through securities, certificates of deposit, debentures and Contingent Convertible Bond. Such Debt Securities can appear in the form of fixed rate, floating rate, interest-bearing securities, zero coupon, inflation-linked, perpetual and/or dual currency bonds. Debt Securities can be issued by public authorities, supranational institutions, companies and/or credit institutions. Investments in Debt Securities shall comply in particular with section I E. (7) in Chapter 8 “Investment Restrictions” of th[e] Prospectus.”).
- **European High Yield Bond Fund**  
The investment policy has been specified by adding *“The Sub-fund aims to achieve its objectives by investing directly into securities or indirectly via the use of Derivatives.”*
- **Global Bond Fund**  
The investment objective has been clarified
  - by replacing *“to provide a stable high yield exceeding the interest level represented by the Sub-funds’ reference index.”* with *“to provide a return exceeding the average return of the global bond market.”*, and
  - by removing the following sentence *“This Sub-fund is further using its reference index as a tool for performance comparison purposes.”*
- **Global High Yield Bond Fund, International High Yield Bond Fund – USD Hedged, Low Duration US High Yield Bond Fund, North American High Yield Bond Fund, US Corporate Bond Fund, US High Yield Bond Fund**  
In the section “Eligible assets” the term “companies” has been replaced with the broader and defined term “Private Borrowers” (the latter term being defined as *“compr[ising], among others, corporations, municipalities and mortgage institutions”*).

- Low Duration US High Yield Bond Fund**  
The investment objective has been clarified by replacing “to achieve a long-term capital appreciation by investing predominantly in high yield debt instruments.” with “to provide a return on the investment, primarily consisting of interest income and long-term capital appreciation.”
- North American High Yield Bond Fund**  
The investment objective has been specified by replacing “to provide a return exceeding the average return of the North American High Yield Bond market” with “to provide a return exceeding the average return of the US High Yield Bond market”.
- Renminbi High Yield Bond Fund**  
The investment objective has been clarified by replacing “to achieve long-term capital growth by investing mainly in high-yield debt securities” with “to provide a return on the investment, primarily consisting of interest income and long-term capital appreciation”.
